Student obligations and warranties To remain eligible for the bursary: Students have the following obligations if they wish to remain eligible for the bursary: Attendance and participation in lectures, tutorials, and academic support programmes as required by the education institution. TVET students must attend at least 80% of all classes. Meeting due performance in terms of assignments and tasks Undergoing the required tests and examinations Satisfying the minimum progression requirements of the educational institution and as per the DHET Rules and Guidelines Other requirements listed in rules and guidelines Obeying the rules and codes of conduct of the education institution and pursuing the qualification with commitment and dedication Keeping NSFAS informed of any changes of information recorded in the Bursary agreement. ^ "NSFAS National Student Financial Aid Scheme Annual Report 2014" (PDF). "NSFAS". These rules remain for all studies sponsored up to and including 2017. However, the South African Government has since the end of 2017 pledged that education should be free for underprivileged and working-class students. As a result, from the 2018 academic year, NSFAS has implemented a new DHET bursary scheme that does not have to be repaid. Applications can also be made on the NSFAS website. However, this first year will be counted in the n+1 formula. The n+1 formula also applies to students who had years/semester of study funded from elsewhere. External links The Official NSFAS Site Department of Education (SA) - Funding Your Studies Retrieved from "NSFAS is a government entity under the Department of Higher Education and Training (DHET) established according to the NSFAS Act (Act 56 of 1999) to provide financial support to disadvantaged students who wish to further their studies at public universities or TVET colleges. Once the N6 is complete, the student will need to apply for funding for the university. Can I be funded for a second qualification? Students who have already obtained a prior university qualification do not qualify and should not apply for funding. The goal is to provide financial aid and other support to ensure student success and improved throughput. The rules for the DHET bursary are set out in the following documents: Guidelines for the Department of Higher Education and Training (DHET) Bursary Scheme for Students at Public Universities - issued by the Department of Higher Education and Training Bursary Agreement Terms and Conditions (which forms part of the NSFAS Bursary agreement) Eligibility: The following students qualify for NSFAS funding: Financial eligibility All South African citizens (there is no age limit) Every recipient of a SASSA grant Applicants whose combined household income is not more than R350 000 per annum A person with a disability - combined household income must not be more than R600 000 per annum Students who started studying before 2018 whose household income is not more than R122 000 per annum. Academic eligibility Minimum requirement: For a TVET course, the student must have passed at least Grade 9. For a University course, Grade 12 with university exemption (bachelor's pass). ^ Ursulas (19 September 2012). This reference number is proof that you have applied. Track the progress of your application on your myNSFAS account. Manual applications Students in rural areas or without access to the internet can go to an NYDA office to collect and submit paper version application forms: NYDA offices (16 branches across the country) are open during office hours from Monday to Friday. Also, depending on the academic course, there will be further academic admission requirements. To be eligible for the NSFAS bursary, the following are the requirements: The student must have received confirmation of admission into a public higher education institution for an approved funded qualification. Returning students must be registered for the relevant academic year and must satisfy the minimum progression requirements of the educational institution and progression rules in terms of the DHET National Rules and Guidelines Who should not apply? Students that have completed a previous qualification. Students with a combined household income of more than R350 000 per annum. Foreign students (any student who is not a South African citizen). Students who have already applied, qualified, and received funding. Retrieved 2019-12-01. Payment intervals are agreed between NSFAS and the institution. Allowances may be adjusted and will be published in the DHET National Rules and Guidelines for each year. ^ "NSFAS". The vouchers can be redeemed at participating NSFAS-Wallet vendors. Cash can be withdrawn from the wallets at Checkers, U-Save, and selected Spar stores.
